#1 in North America for High-Pressure Cleaning Equipment

## FEATURES

- **5.0 to 9.5 GPM / 2500 -to 3000 PSI**
- Completely Self-Contained
- Featuring models with the biggest and most durable pumps available

---

**Upright, diesel-fired burner** with stainless-steel coil skin is highly efficient and maintains constant hot water using diesel fuel

**Safety relief valve** protects machine and user from over pressure

**3/4-inch schedule 80 heating coil** is wrapped with a thick foil backed blanket insulation, carrying a 5-year non pro-rated warranty

**Removable frame supports** for easy service access

**Rugged square tube frame** protects machine’s vital components

**Fuel/water separator** prolongs fuel pump life

**High efficiency Wayne 12VDC Burner** with proprietary controller

**50-ft. of two-wire, heavy-duty abrasion resistant hose**

**50-ft. of two-wire, heavy-duty abrasion resistant hose**

---

**Optional adjustable high-pressure detergent kit** (included with the float tank kit)

**Water resistant control panel** includes adjustable temperature control, heavy-duty heater switch, hour meter, volt meter, keyed ignition switch, and nozzle storage

**High flow VRT100 unloader** handles 27 GPM @ 5075 PSI

**Ready plumbed** for connection to remote water tank

**Optional large float tank** maintains constant pressure and flow while preventing sediment from entering the machine’s components

**Operate longer with two diesel crossed-linked HDPE tanks, 25 gallons each**

---

**Heavy-duty trigger gun and wand** with insulated cool grips

**Tier IV Kubota Diesel engine in 16 or 24 HP**

---

**Hotzy® triplex, tri-banded belt drive, positive-displacement pump** carries a 7-year warranty

HSDS models offer **super duty Hawk pump** with lower pump RPMs for long lasting durability

---

**Hotsy® hot-water pressure washers**

---

Super Skid HSS Series Hot Water Pressure Washers

- Diesel-Fired / Diesel Powered
- 5.0 to 9.5 GPM / 2500 to 3000 PSI
- Belt Drive / Electric Start
- Completely Self-Contained

Designed for tough, industrial cleaning.

All Models are Electric Start. 12V battery is required for all models, but is not supplied. Dimensions: 73”L x 37” W x 64” H

### OPTIONS FOR HSS/HSDS SERIES
- Dual Gun Kit
- Steam Kit
- Float Tank / High Pressure Detergent Kit

### PARTS & ACCESSORIES
Your local Hotsy dealer stocks a number of accessories designed to speed cleaning. The most common accessories are telescoping wands, pivot and non-pivot hose reels, flat surface cleaners and high pressure turbo nozzles.

Hotsy dealers also stock thousands of pressure washer replacement parts such as high pressure hose, trigger guns, high pressure nozzles, pumps, unloaders, filters and wands.

### DON'T FORGET THE SOAP!
Hotsy pressure washers clean best when matched with specially formulated Hotsy detergents. Nearly all contain Hotsy’s exclusive advanced-formula HCC additives to help prevent scale build-up and to fight corrosion in your equipment. All are highly concentrated, so a little goes a long way.

HOTSY SOLUTION SELECTOR
What’s the best detergent for your next job? Find out with our solution selector. Scan this QR code or visit HOTSY.com

### SERVICE & REPAIR
Hotsy has more than 175 local dealers in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Hotsy has factory-trained service technicians who will provide on-site maintenance for your cleaning equipment. Our techs have most common replacement parts on their service truck, and will quickly have your washer running smoothly.
